GE Profile™ Compact Dishwasher

FEATURES AND BENEFITS

COUNTERTOP DISHWASHER WITH 3 INSTALL OPTIONS AND EASY WATER HOOKUP – Maximize your space with a countertop dishwasher that can be built into your cabinetry or installed under your sink. Perfect for kitchens, apartments, dorms, RVs, bar areas—anywhere you need it.

LARGE CAPACITY COMPACT DISHWASHER – This dishwasher has a big capacity that fits 6 place settings, 11" plates, or 24 bar glasses. Perfect for hosting or daily cleanups.

SIX WASH CYCLES – Choose from 6 wash cycles, including Heavy, Normal, AutoSense, 30-Minute Quick Wash, and Custom. Tailor your wash to every need.

BABY CARE CYCLE – Use SmartHQ™ to simplify bottle cleaning and sanitization. This dishwasher's Baby Care Cycle eliminates 99.999% of bacteria from bottles, pumps, and baby essentials, for peace of mind.

BUILT-IN WIFI POWERED BY SMARTHQ™ – SmartHQ™ makes it easy to connect, control and monitor your smart dishwasher from anywhere. You can also conveniently access the latest features, including customized cycles, remote status notifications and more.

GET MORE WITH ADDITIONAL OPTIONS – Schedule your wash with the dishwasher Delay Start feature, ideal for busy days or when you're away from home. Extra Wash & Dry options ensure exceptionally clean and dry dishes.

REDUCE WATER USAGE BY OVER 75% – Say goodbye to handwashing dishes with this compact dishwasher. Save time and water while enjoying powerful cleaning anywhere you need it.

SANITIZE WITH EASE – High-temperature rinse sanitizes and reduces 99.999% of the bacteria found on dishes.

SLEEK GLASS TOUCHPAD – This compact dishwasher has a glass touchpad and digital cycle countdown for a modern look and intuitive control.

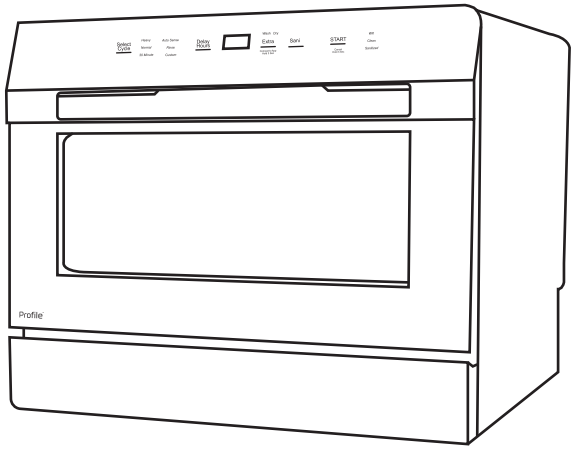

QUIET OPERATION – Enjoy peace in your home with this quiet dishwasher operating at just 52 dBA.

ENERGY STAR® DISHWASHER – This efficient, ENERGY STAR® dishwasher delivers powerful performance while saving water and conserving energy.

AUTO OPEN DRY – Experience the benefit of efficient, eco-friendly drying without added energy by opening the door at the end of the cycle to circulate air.

FLOOD PROTECT – This dishwasher features Flood Protect, which prevents potential overflows for greater peace of mind. It works by using a water leak detector to sense when water is too high and then pumps it out.

ADA COMPLIANT INSTALLATION – Designed to meet ADA requirements when installed in accordance with ADA guidelines.
