Key Features & Benefits

High-Velocity Airflow System
High airflow provides exceptional drying performance in vents up to 100 ft.

Simple, Easy-to-Use Controls, Coin-Ready
Mechanical controls provide a simple user interface with robust, easy-to-use knobs. Coin-ready models also allow owners to customize their machines to set the right price for the right environment.

Super-Capacity
The 7.4-cu. ft. super-capacity means loads from small to extra-large can be dried efficiently and effectively.

NOTE: Dimensions are for planning purposes only. For complete details, see Installation Instructions packed with product. Specifications subject to change without notice.
